Henry Carroll led in the worship period. Reading from Acts 4, he told the Association that we live in an expressive generation. This is seen in the clothes we wear, the songs we sing, the TV commercials we watch and hear, and other ways. As Christians we need to be expressing our faith, our Lord and our salvation. "Our salvation needs to come alive," he said.

Claxton Hall led the messengers in singing "God, Our Father, We Adore Thee."

New pastors and church-staff workers were presented by Lewis Ludlum.

Foy Martin gave the Executive Committee report and called attention to some of the most important actions of the Executive Committee, May, 1971 through October, 1971. Mr. Martin asked Mr. George Shore to report on item 12 in his report pertaining to the mobile unit for use at the Cherry Street Prison Camp. He told the Association that we have not been able to secure a mobile unit yet because the unit purchased will have to meet certain state specifications before it can be placed on state property. So far the Committee has been unable to find such a unit.

Mr. Martin stated that item 13 concerning action on the Camp Retreat property is still under study.

He explained the reason for action taken by the Executive Committee in item 15. The house on Patterson Avenue was purchased about four years ago when the committee felt that it would be good for the director to live near the Mission Center. This is no longer practical, so the house was listed to sell.

James Hall asked about item 11 in the Executive Committee report. Dr. Scales replied that the money would be used for various types of programs and projects. He stated that some events cannot be foreseen and that the Association had placed responsible people on the Executive Committee. In an Association this large, some programs are not always agreed upon by all.

Mr. Martin offered a suggestion that in the future if there are questions about actions of the Executive Committee, these should be submitted in advance to enable the committee or chairman to study them and then report more fully.

After explaining the Executive Committee report it was adopted as follows:

SUMMARY OF ACTIONS OF EXECUTIVE COMMITTEE
MAY, 1971 through OCTOBER, 1971

1. Vote to approve the following recommendations presented by Superintendent of Missions, (5/5/71):

(1) Recommendation from the Special Committee to elect Miss Shirley Jolley of Elkin as our summer worker subject to the guidelines for work and benefits previously adopted. Passed.

(2) Recommendation from the Pioneer Mission Committee that we be host to the Melvin Jones family at Eaton Cottage, Ridgecrest Home Mission Week, August 19-25, 1971.

(3) Recommendation from T. W. Estes, Lex Little, W. T. Hendrix and Ralph Cannon that the Association elect a woman for staff member for one year on a part-time basis subject to work and benefit guidelines similar in pattern, but of different proportions to those governing the work of Lawrence Childs as Associate Supt. of Missions prior to April 1, 1970. This motion did not receive a second.

After considerable discussion the following motion was made by Tom Womble, second by R. K. Redwine and passed unanimously:

"That the Personnel Committee in conjunction with the Supt. of Missions consider the advisability of a part-time person to fill the Associate position. This consideration would include responsibilities and benefits. The Personnel Committee is further asked to make a comparison between the part-time involvement and the benefits received from a full time staff member. That after full consideration a recommendation be presented to the Executive Committee in its June Meeting." (June 8, 1971) Mrs. Lewis was asked to send this recommendation to members of the Personnel Committee.

2. Associational Office Study and Survey Committee appointed as follows: Harold Shirley, Chm., H. C. Porter, Ralph Cannon, William H. Edwards, Marion Nash, Ralph L. Cannon, Thomas C. Womble, Jr., and Rome Hall. Action taken in a called session 5/6/71.

3. George Shore presented a recommendation from the Enlistment and Training Committee of the Mission Center Committee and the Associational Personnel Committee that Mr. Gerald McKoy be elected as special student summer worker at the Mission Center for 10 weeks beginning June 14, and continuing thru August 21. 6/8/71.

The Executive Committee was divided on the matter but after considerable discussion came to feel that the Enlistment and Training Committee could act responsibly in the matter. Thus the following motion was passed:

4. "We recommend that the Patterson Avenue Baptist Mission Center Enlistment and Training Committee Sub-Committee be given full authority to employ a summer worker for 1971. This committee to be composed of Richard McBride, Rachel Swearingen and George Shore, and funds not to be provided from the Associational Budget."

5. A report was given by the special committee composed of the six church program organizational heads regarding the procedures for calling an additional staff worker if needed. This committee reported that: (1) It has observed no enthusiasm for a part-time employee; (2) Reluctance has been voiced to the proposition that we call a full time associate staff member lest we encounter financial problems; (3) There has been little or no evidence of the Lord's sure guidance to proceed to call someone on either basis; and (4) It is suggested that we suspend talks on this matter at this time in the hope that sentiment and the Lord's guidance will develop in a positive direction sometime in the future. A motion was passed to accept this report. 7/13/71.

6. Lewis Ludlum presented a proposal for an Associational Bible Conference on September 27-30. The Sunday School Department of the Convention would provide two top rate Bible Teachers. The only cost to the Association would probably be publicity and the cost of refreshments. Mr. Ludlum moved that we adopt the Associational Bible Conference and forego the Associational Launch night originally scheduled for September 14. The motion carried. 7/13/71.

7. Mr. Ludlum called attention to the new Missionary Baptist Fellowship Constitution which enlarges that organization to include six laymen. The committee is to be enlarged from 10 members to 15 members from each group for a total of 26 members. The spirit of the Missionary Baptist Fellowship Constitution is to work in the total community byplanning and directing activities across racial lines.

Mr. Avery Church moved the adoption of this report. Motion passed. 7/13/71.

8. A recommendation from the Nominating Committee was that Mr. Foy Martin be elected to serve as Chairman of the Executive Committee for the unexpired term of Mr. T. W. Estes. The recommendation was approved. 7/13/71.

9. Jack Bracey, Chairman of the Christian Life and Action Committee recommended that $100 be appropriated to defray expenses of a Consumer Advocacy Meeting to be held at First Baptist Church on August 16. Miss Kate Blackwell of Washington, D.C., as guest speaker. Recommendation approved 7/13/71.

10. Dr. Ralph Scales, moderator, appointed the Committee on Committees as follows: W. E. Pettit, Chm., Mrs. Carol Wiles, C. K. "Pete" Hemrick, John Wilkinson, Jack Brown, Mrs. O. W. Snyder, and Mrs. Warren Carr. 7/13/71.

11. In light of some of the action taken by the Executive Committee, Mr. Amis Daniels expressed a need for an item in the budget which could be designated for the Executive Committee's use. A motion was passed that item 31 "Special Programs" in the proposed budget 1971-1972 be increased to $1200 and is to be used upon the approval of the Executive Committee.

12. Mr. Shore presented a recommendation of the Christian Social Ministries Committee concerning a possible ministry by Baptists at the Cherry Street Prison Camp. Motion was made that the Executive Committee approve the purchase of a mobile classroom unit for use as a chapel at the Prison Unit on Cherry St. In

discussing the motion the purpose of the mobile unit was explained. This mobile unit shall be used by the Dept. of Corrections at the Advancement Center on North Cherry Street, Winston-Salem, N.C. as a:

(1) Place of worship and Bible study,
(2) A place of study, retreat, etc., for the men to use in improving their education,
(3) A place for counselling for Chaplains and/or others,
(4) And for any other purposes which do not violate the use of the above 1, 2, and 3 purposes and that is agreed upon by the Christian Social Ministries Committee of the Pilot Mountain Baptist Association and the Department of Corrections.

A motion was made that we ask the Finance Committee in Cooperation with the Christian Social Ministries Youth and Services Sub-Committee and other interested persons to secure the funds to purchase the mobile unit and its furnishings. (Note: Cost of mobile unit—$2,000 from the Forsyth County Board of Education; Cost of furnishings—pulpit, folding chairs, folding tables, book shelves and books, etc., will be in addition to the $2,000 cost.) Motion carried.

A motion was approved that Mr. Ludlum and Mr. Shore be authorized to call these committees together in the absence of the Finance Chairman (vacation) to work out plans for raising the funds. 8/3/71.

13. Amis Daniels moved that the Association lease the Camp Retreat property to Friendship Baptist Church for five years and that we ask the committee (Ludlum, Womble, and Shumaker) to work out a suitable contract with a lawyer. This contract will be presented at the next Executive Committee meeting for approval. The lawyer is to be asked to protect both the interests of the Association and Friendship Baptist Church. Mr. Redwine seconded the motion and it carried.

14. Coye Still moved that the Association make a grant-in-aid to the Rock Hill Mission in the amount of $750. He explained that the Association had promised aid several years ago, but was unable to fulfill our commitment. The recommendation was approved. 10/5/71.

15. A recommendation was presented to the Executive Committee by Mr. Redwine concerning the Patterson Ave. Mission Center House as follows:

"The Patterson Avenue Baptist Mission Center recommends that the Trustees of the Association either sell or rent the Mission Center house at 2727 Patterson Ave. as the Mission Center Committee forsees no immediate need for the house and because of the pressing need for housing within the community."

In discussing the recommendation, it was announced that the Trustees had a cash buyer for the property for a sum in excess of $14,000. Ralph Cannon moved that the Trustees be given authority to sell the Mission Center house at 2727 Patterson Ave. The Motion carried. 10/5/71.

16. Kenneth Payne and Mrs. Lewis shared some helpful information on the proposed Mobile Chapel unit for use at the Dept. of Corrections on Cherry Street. Ralph Cannon moved that this matter be tabled until our next meeting. Motion carried: 10/5/71.

17. The Committee discussed the matter of helping fellow pastors who face a crisis in their ministry. Motion was made and approved that the Church Personnel Resource Committee be asked to make a study of resources of help and comfort available to aid our ministers who are faced with a crisis situation and present its report to the Executive Committee in the December meeting. 10/5/71.

The recommended budget for 1971-72 was presented by Troy Hamrick. Before presenting the budget, he reported that receipts for the year October 15, 1970—October 15, 1971 were:

$46,137.90 plus designated receipts of $5,726.29. Cash on hand, October 15, 1971 was $7,761.82. He stated that Mrs. Lewis would give an itemized report in the near future.

Mr. Hamrick moved that the proposed budget be adopted. The motion was approved.

The moderator recognized Mr. Robert Mullinax, Executive Secretary of N.C. Council on Christian Higher Education for a report on "North Carolina Christian Higher Education." Mr. Mullinax reported that the Council on Christian Higher Education (1) tries to guide the work of our schools in order that they work together cooperatively and (2) tries to interpret the work of the colleges to the churches. He stated further that this is a crisis time in higher education and about 1/3 of all educational institutions are in financial difficulty. But presently none of our Baptist Colleges are operating in the red.

Following the address by Mr. Mullinax, the messengers sang "God of Grace and God of Glory."

Two resolutions were approved by the Association:

(1) Mr. Ludlum moved that Dr. Scales write a letter to Dr. Perry Crouch expressing thanks for the State Convention's financial support of Associational work, Christian social action and missions.

(2) Mr. Ludlum moved that Dr. Scales write a letter to Providence Baptist Church at Roxboro and thank them for sponsoring "Richard K. Young Day" and to express our appreciation to Dr. Young for his service as founder and director of the School of Pastoral Care at Baptist Hospital.

Foy Martin moved that Mr. Ludlum be our official representative of the Association at Roxboro on "Dick Young Day."

A forum on "North Carolina Social Service Institutions" was led by Isaac Terrell, Director of Public Relations N.C. Baptist Children's Homes; William Poole, Director of N.C. Homes for the Aged; and Calvin Knight, Associate Director of Denominational Relations, N.C. Baptist Hospital. Each of these men shared the work of the institution which they represented. The moderator opened the meeting for questions relative to our Social Service Institutions.

Before the sermon, the messengers sang "In Christ There Is No East or West."

The semi-annual sermon was preached by J. D. Ballard, pastor of the United Metropolitan Baptist Church in Winston-Salem. His topic was "The Semaritan Who Made Good," Luke 10:25-37. The Samaritan, he said, cared enough to face up to his responsibilities. Because Christians today fail to do this, he added, they are the "silent majority." One of the reasons for weak churches, he said, is because Christian people have not been Christians. Too many today are so involved in busy work that we fail to see the needs all around us.

The morning session closed with prayer by Ralph Cannon.

The Afternoon Session

After congregational singing the report of the Nominating Committee was adopted.

W. E. Pettit presented the Committee on Committees report and moved its adoption. The report was approved.

Mr. Lewis Ludlum moved that the Church Personnel Resource Committee be re-elected to serve 1971-72 since this Committee is not a standing committee. The motion carried.

Dr. Nathan C. Brooks, Director of Church Programs, N.C. Baptist State Convention, talked about "Christian Education in the Churches." In his opening remarks he pointed out that only about 77% of the Churches in this Association had given to the Cooperative Program. Brooks said "some of our glory has departed us." "To obtain Christian growth and productivity, Churches need careful planning, effective teaching, emphasis on the family as a total unit, earnest engagement in leadership training and trust for one another."

Following congregational singing, Dr. John Lewis, pastor, First Baptist Church,

Raleigh, delivered the final address, "Baptists on the Frontiers of Faith." He said that we are living in a time when maps and charts have run out on us, but the world keeps going. Baptists are called on to witness their faith on the frontiers of intelligence, society, politics, and community, he said.

The session adjourned after prayer by Harold Shirley.

Rev. Lewis Ludlum, Pilot Mountain
Superintendent of Missions (August, 1950–December, 1972)

A TESTIMONIAL

Everytime we turn on our television sets we see a dramatic presentation of the Gospel. The drama is in the TV set itself.

It has two sets of controls—a vertical hold and horizontal hold. One secures the picture on the screen from top to bottom. The other secures the picture on the screen from side to side.

Lewis Ludlum has done that for us. For twenty-two years he has been our vertical and horizontal hold.

During the turbulent years of the churches' boom in the 50's and the churches' decline in the 60's, he has kept us in focus. Through Korea, Vietnam and the civil rights conflicts he has kept us on target.

This man whose life has been open to God and to his fellows has shown us how to be open to both.

We have grown together for a score of years and two and, God willing, both he and we will grow on from here.

Dr. W. Randall Lolley

Proceedings

of the 1973 Sessions
of the
Pilot Mountain Baptist Association
April 17 and October 23, 1973

SPRING SESSION
April 17, 1973

1. The spring session of the Pilot Mountain Baptist Association convened on Tuesday, April 17, 1973 at 7:00 p.m. at College Park Baptist Church, Winston-Salem, North Carolina.

2. Rev. Foy Martin, Associational Moderator, called the session to order.

3. The Adult Choir of Clemmons First Baptist Church led in the Call to Worship, "On Jordan's Stormy Banks." Rev. Harold Heath, pastor of Bethany Baptist Church of Winston-Salem, led in the devotional period. He read Psalm 46 and challenged that we cope with changes in life by finding God's will.

4. Recognition of new pastors, staff, and visitors was made by Rev. Stanley Webb, chairman of the Order of Business. The following were recognized: Tom Roberts, First Baptist Church, Kernersville; Harold Heath, Bethany Baptist Church; Paul Hopkins, Goodwill Baptist Church; Roy Hoover, Antioch Baptist Church; Frederick Creasey, Friendship Baptist Church; and Roger Gilbert, Ardmore Baptist Church.

5. The following institutional representatives spoke to the messengers briefly, after being recognized: Mr. Calvin Knight of the Baptist Hospital emphasized the importance of the Mother's Day Offering and its entire use for helping those who cannot pay. He also indicated a very positive attitude toward the Baptist Hospital from across the entire state. Mr. James Phillips represented Meredith College. He brought greetings from Dr. Weems, President, and expressed thanks to the Association and churches for good support of the Cooperative Program.

6. Troy V. Hamrick presented the Executive Committee report. He shared the highlights of that Committee's actions. The report was accepted as presented.

7. The Treasurer's Report was presented by Mrs. John Lewis. The report covered the following period: October 15, 1972 to April 15, 1973. The report was accepted as presented.

8. Rev. Ralph Ferguson, chairman of the Constitution Committee, began the miscellaneous business session with a report and a recommendation from the Constitution Committee for a Constitutional change in Article VI, Section 2. The recommenda-

tion for a Constitutional change was presented as follows: ARTICLE VI. ORGANIZATIONS, SECTION 2. Executive Committee. The Section presently reads, "The Executive Committee shall be composed of (1) the General Officers (Article VI, Section 1); (2) Chairmen of all Committees classified as Administrative, Mission Fellowship, and Special Emphases (Article IX); and the directors of the seven church program organizations; and one person at large from each of the geographical groups of churches not otherwise represented." The constitutional change involved omittance of the following: "...and one person at large from each of the geographical groups of churches not otherwise represented," and the addition of the following: "...and the pastor of all affiliating churches; plus one Associational representative for each church." Thus the new reading is as follows: ARTICLE VI. ORGANIZATION, SECTION 2. "The Executive Committee shall be composed of (1) the General Officers (Article VI, Section 1); (2) Chairmen of all Committees classified as Administrative, Mission Fellowship, Special Emphases (Article IX); and the directors of the seven church program organizations; and the pastor of all affiliating churches; plus one Associational representative for each church."

Ferguson explained that our Constitution requires a week's notice prior to the semi-annual meeting. He presented two alternatives to the messengers: 1) Wait until the Fall session; 2) Vote now to waiver the Constitution requirement (two-thirds majority vote) and then vote on the proposed change. Ferguson made the motion to vote to waiver the requirement of a week's notice. Motion was seconded. The question, "Is there any reason for not waiting until the Fall session?," began a discussion period. Ferguson replied that the Constitution Committee felt the change should be considered now in order to create a better Associational representation. Bill Edwards, pastor of First Baptist, Pilot Mountain, spoke in agreement to the proposal.

The motion and second passed by a two-thirds standing vote.

9. Troy V. Hamrick, chairman of the Executive Committee, extended an invitation to all messengers to attend the Board meeting each month.

10. Associational clerk, Bob Glasgow, reported that the Association's Minutes were ready.

11. Mrs. John Lewis and Mrs. J.H. Sheppard, former office secretaries for the Pilot Mountain Baptist Association, were recognized for their services and were presented gifts as tokens of appreciation. Mrs. J.W. Johnston, Jr., led in the special recognition service.

12. Mrs. Virginia Britt of the Crisis Control Center was recognized, and she reported the Center's attempt to pool the resources of Winston-Salem in helping people who are in crisis situations. She welcomed help from the community, and extended the Center's services to the community.

13. Mrs. C.E. Jarvis announced May 1, 1973, 4:30 PM - 8:30 PM to be the Annual WMU Session. The place of the meeting was to be Knollwood Baptist Church.

14. Mrs. Judy Petree, Associational Music Director, led the messengers in singing the hymn, "Amazing Grace."

15. Special music, "Yesterday, Today, Tomorrow," was presented by the Clemmons First Baptist Church Adult choir under the direction of Mrs. Judy Petree.

16. Tom Womble introduced the speaker for the evening, Thurman Fox, newly elected Superintendent of Missions for the Pilot Mountain Baptist Association. Mr. Fox expressed thanks to the messengers for allowing him to come and serve in the Pilot Mountain Association. He introduced his wife, and the new Associational secretary, Mrs. Judy Walden. He announced that George Shore was in Forsyth Memorial Hospital and that Rev. Dwight Watts was hospitalized following a heart attack. Mr. Fox's topic was, "Some Dreams for Pilot Mountain Baptist Association." His Scriptural text was taken from Luke 24:46-47. He shared three things that normally determine our attitude toward missions: 1) The greater the distance a person is from us; 2) The greater the contrast of people's physical characteristics; 3) The greater the contrast of dress from us. Then he spoke about three things that justify having Associational Missions: 1) The need for fellowship between people of like faith and order;

2) The need to assist sister churches - to help each other, and pray for one another; 3) The Association acting as an agency to join two or more churches together to accomplish more together than alone.

17. The motion to adjourn was made and passed.

18. The prayer of benediction was led by Lewis Ludlum.

Respectfully submitted,
Bob Glasgow, Clerk

Approved motion concerning World Missions Conference: "Entertainment to be provided as follows: Let each church accept full responsibility for entertainment of one missionary for four days (including room, board, and travel)."

DECEMBER

Approved motion to schedule and promote ten mission action-ministry associational conferences. The initial planning conference to be at Eagle Erie, Virginia, March, 1973.

Budgets for Bethania Chapel and Dan River Mission approved.

Approved the following recommendations from the Finance Committee dealing

with the allocation of non-budgeted funds:

(1) The allocation of an amount not to exceed $1,000.00 to be used for the World Missions Conference.

April 1-8, 1973.

(2) The allocation of an amount not to exceed $1,300.00 to help finance the summer program of the Christian Social Ministry. That the budget for this program be approved by the Executive Committee and that any special collections from individual churches, designated for this program, in excess of $900.00 be deducted from the $1,300.00 allocation.

That the policy set in 1971 in regards to Christmas gifts for employees be followed for 1972.

Approved Personnel Committee recommendation that George Shore serve as Interim Superintendent of Missions after Lewis Ludlum's resignation.

George Shore reported that a Triad Council was to be established for Piedmont North Carolina. Each association would be represented by a Superintendent of Missions, Moderator, and a third person to be appointed. The following motion was approved: "That the Pilot Mountain Baptist Association appoint a third member."

JANUARY

Approved motion from Minutes Committee: "That the 1972 Minutes be dedicated to Rev. Lewis E. Ludlum."

Following a question-answer period between the Personnel and Executive Committees, the Executive Committee approved the motion that Thurman L. Fox be recommended to the Pilot Mountain Association in special session as the New Superintendent of Missions. Motion was made to call the special session on Sunday, January 14, at 2 P.M. at First Baptist Church, Winston-Salem. (The special session was held on the above suggested date, with excellent representation (55 churches) which extended a unanimous call to Thurman L. Fox.)

FEBRUARY

Motion accepted that Rev. Talmadge Hall be elected as Chairman of the Associational Nominating Committee (replacing Rev. Howard Summerford who has moved from our Association).

Motion passed as follows: "That a special night for an informal reception be held at a central location (Ardmore or First Baptist suggested) to welcome Thurman L. Fox and his family. That the Personnel Committee handle the details. The date of March 15, 7-9 P. M. was suggested."

MARCH

Motion approved that Calvin Knight be elected as new chairman of the Christian Life and Action Committee, and Rev. Cecil Cave be elected new chairman of the Camp Retreat Committee.

Albert Hale reported that the Ordination Committee examined Stan Heiser of Union Grove Baptist Church and recommended that the church proceed.

APRIL

Motion from Personnel Committee approved: "That our Association not receive the annual $600.00 supplement to the Superintendent of Mission's salary provided by the N. C. Baptist Convention."

Personnel Committee reported the resignations (effective April 17, 1973) of the two Associational Office's part-time secretaries, Mrs. John D. Lewis and Mrs. J. H. Sheppard.

Talmadge Hall reported the resignation of the Association's Treasurer, Mrs. John D. Lewis, and the Nominating Committee's recommendation that Troy Hamrick serve as interim Treasurer. This recommendation was approved by the Executive Committee.

MAY

The Executive Committee authorized the writing of an Associational Policy and Procedure Manual.

The Executive Committee requested our Executive Committee Chairman to choose five persons, including the Moderator and/or Chairman of the Executive Committee, for executive approval to serve on this policy writing committee.

The Personnel Committee requested authorization to employ a secretary to work the summer months at the rate of $2.00 per hour. Motion was made and seconded and showed no opposition. All affirmative.

JUNE

Tom Womble reported that Miss Kaye Pass had been hired as this summer's part-time secretary in the Associational office.

Gerald Hewitt, Chairman of the Policy and Procedures Manual Committee, reported that the entire committee met on May 31 at the Baptist Hospital. They organized and discussed the purpose and procedures of the Committee. In this progress report, Hewitt said that the Committee discussed three goals of an Association.

1) To promote fellowship among the churches.
2) To work jointly to accomplish the work which cannot be done by a single church.
3) To uplift and assist each other.

JULY

Gerald Hewitt, Chairman of the Policy and Procedures Committee, presented the following recommendations from his committee:

1. That a detailed financial report be prepared monthly for the Committee and the churches.

2. That a purchase order system for all associational disbursements be instituted with the new associational year with the Superintendent of Missions approving all purchase orders. And that immediately all funds be deposited in an associational checking and/or savings account. Organizational expenses will be paid through the associational checking account through the associational treasurer.

3. That the Executive Committee establish a limit of two months operating expense for the balance in the general associational checking account.

4. That a policy be established that any matter brought before the Executive Committee for action will be mailed to the Executive Committee members at least one week in advance; and that as a matter of policy, the Superintendent of Missions shall communicate action of the Executive Committee to the proper person for implementation.

5. That all Committee Chairmen shall inform the Superintendent of Missions of all committee meetings at least one week in advance.

6. That we proceed immediately with incorporation as a non-profit corporation under the laws of North Carolina.

The recommendations were adopted.

SEPTEMBER

Rev. Tom Womble read the recommendation from the Personnel Committee concerning honoraria and interim pastoral roles.

From the position of the associational staff personnel, that is the Superintendent of Missions and the Director of Christian Social Ministries, we recommend that:

These persons should never solicit an honorarium for any ministry rendered to the churches in the Association. They should not even expect an honorarium from the churches. However, when an honorarium is offered, they should not hesitate to accept it. They are personal gifts and, therefore, would require no accounting to the Association.

From the viewpoint of the churches we recommend that:

Within the sphere of the responsibilities usually performed by the Superintendent of Missions and the Director of Christian Social Ministries, an honorarium is not expected. However, in those instances where the ministry is of the type that would be other than the usual function of the Superintendent of Missions and the Director of Christian Social Ministries, then an honorarium is in order and heartily encourged.

In the matter of our Superintendent of Missions or Director of Christian Social Ministries serving interim pastorates, the Personnel Committee recommends that our Superintendent of Missions and Director of Christian Social Ministries not serve as interim pastors. We feel that the duties incumbent upon these two staff members are such that they need to be available to all the churches as frequently as possible; and to be tied over a long period to a church as interim pastor, would unduly restrict their flexibility to serve all the other churches as well.

The recommendations were adopted.

OCTOBER

W. T. Hendrix brought the following recommendation from the Associational Office Study Committee:

1. We agree that the present facility is not adequate to meet the needs of the associational work. The parking is inadequate and becoming more congested because of other office buildings being built on near-by property. It is impossible for confidential counseling to be done satisfactorily due to the walls, noise, and crowded conditions.

Therefore we recommend that we move immediately to alleviate this problem. We should find approximately 1500 square feet of space (we now have 1000). This will require a larger amount for rent than we now have in the budget.

2. The committee agrees that we need to look toward providing permanent facilities. The committee would request the opportunity to continue its study of the possibility of the Association building its own building. A progress report would be given in 6 months.

3. In view of the continual study, the possibility of building, and the increased cost of larger temporary quarters, we recommend that $12,000.00 be placed in the proposed budget for 1973-74.

4. We recommend that the committee be enlarged to twelve members from the present six, and that these new members be appointed by the Moderator.

The recommendations were adopted.

It was announced that Mrs. Peggy Hall, a member of Old Town Baptist Church, has been employed as office secretary.

Gerald Hewitt brought the following recommendations from the Policy and Procedures Committee:

1. Honoraria - Honoraria for associational meetings shall be given only for program participants from outside the association.

2. Expenses for registration, travel, lodging, meals, and entertainment for associational representatives to attend training activities outside the Association shall be paid only for those activities which enable the representative to return and train other associational and church workers.

3. We recommend that we undertake a Missions Strategy Survey, and that the Policy and Procedures Committee be expanded to nine members to assist in carrying out this survey, for the purpose of recommending a total strategy for the associational program.

4. We recommend that associational meetings revert to one annual meeting per year.

The recommendations were adopted.

Ike Worrell, Chairman of the Finance Committee, moved that we adopt the budget as presented. The motion was seconded and passed.

The Finance Committee recommended that we take $700 from the Camp Retreat

Maintenance item in the budget and give this money to fight liquor-by-the-drink. The money is to be divided as follows: $500 in Forsyth County and $200 in Stokes County. The motion was seconded and passed without discussion.

RESOLUTIONS COMMITTEE

AN EXPRESSION OF APPRECIATION

To our host church for the annual meeting of the Pilot Mountain Baptist Association, we express our gratitude for their gracious hospitality and our rejoicing over their magnificent new facilities. Calvary Baptist Church of Winston-Salem has shown by its aggressive programs and its enlarged facilities that God is not dead and that the church during the last quarter of the twentieth century is indeed alive and well. As we convey our gratitude and fraternal regards to the pastor, staff, and congregation of Calvary Baptist Church, we congratulate them upon every wholesome advance for the glory of our great God.

To our associational officers, we convey loving appreciation for their enthusiastic leadership, their wise counsel and their Christian witness. All of our participating and cooperating Southern Baptist churches in the Pilot Mountain Association have been benefited by having such noble leadership at such a time as this.

To our warm and friendly superintendent of missions, Mr. Thurman Fox, and his entire staff, we express our continued gratitude and love, praying confidently that the "best is yet to be."

LIQUOR BY THE DRINK

Whereas, North Carolina citizens will go to the polls on Tuesday, November 6, 1973, to cast their ballots on the issue of liquor by the drink,

Whereas North Carolina citizens have found the present practice of brown bagging detrimental and unwholesome,

Whereas those favoring liquor by the drink would have the citizenry to believe that a favorable vote on November 6 would reduce consumption, control liquor, attract tourists and bring in additional taxes,

Whereas just such falsifications have added to the evil of this particular issue, and

Whereas the church people of this state have been told that this is not a liquor issue, that this is not a matter of moral concern, that the churches' involvement in the issue is a violation of the principle of separation of church and state,

BE IT HEREBY RESOLVED by messengers to the annual meeting of the Pilot Mountain Baptist Association meeting at Calvary Baptist Church, Winston-Salem, North Carolina, this twenty-third day of October, 1973, that

1 - We use every available means to inform the concerned citizens of our lovely state of the falsehoods which have been perpetrated upon us by a profiteering liquor industry and a conscienceless business element which weighs its every decision not on principle but on dollars.

2 - We make clear that liquor by the drink will not control but rather enlarge the number of liquor outlets across this state, increasing public drunkenness, further endangering the highways of our region, and beckoning to our state other nefarious segments which will seek to bring in other tax-producing, income-producing evils,

3 - We take full advantage of our citizenship responsibilities as Christians and urge every person with whom we have contact to vote NO on November 6 on the liquor by the drink issue.

CALL FOR AFFIRMATIVE VOTE

Whereas citizens of our state are also going to vote November 6 on a bond referendum for education and an issue relative to water pollution and expansion of Knollwood Hall.

BE IT RESOLVED that we urge the members of the Pilot Mountain Baptist Association to give most careful consideration to these three issues, and not be necessarily disposed to vote no for these issues just because we shall vote no on the liquor by the drink issue. Many of our most dedicated citizens who have studied the educational, water pollution, and Knollwood Hall issues call us to vote yes on these issues.

A MATTER OF MORAL CONCERN

Whereas our Nation faces its most crucial hour with the frail fabric of confidence in government at the breaking point,

We call on our fellow Christians to be most earnest in penitential prayers and most responsibly active in seeking ways and means whereby confidence and morality can be re-established in our Executive, Judicial, and Legislative branches.

A PRAYER FOR PEACE

Whereas our world has recently walked through the valley of the shadow of international conflict, and

Whereas the cease-fire in the Israeli-Arab war has been radically violated,

We messengers of the Pilot Mountain Baptist Association join together in a prayer for peace and work creatively for a just settlement for all concerned parties through the processes of non-violent negotiations.

Reports

EXECUTIVE COMMITTEE

1. Discussion concerning the energy crisis and what we within the Association could do brought about the following motion from Rod Byard: That, in light of the energy crisis, the Executive Committee of the Pilot Mountain Baptist Association meet every other month. The motion was seconded by Bill Edwards. The recommendation was approved by majority vote. 12/4/73

2. A request from Mr. Ike Worrell, Finance Chairman, that the Association take some action on the following items listed on the Treasurer's Report: Prison Unit (deficit $959.14); Resort Ministry (deficit $124.58); and Ludlum Gift (deficit $481.55). These were items approved by the Executive Committee with the money to come from churches, and the amounts listed were those amounts we were short. After some discussion, Foy Martin made a motion that the above items be marked off as paid, so as not to be carried on each month's treasurer's report. The motion was seconded by W. T. Hendrix and passed. 2/18/74

3. Mr. George Shore announced that he had resigned as Director of Christian Social Ministries in the Pilot Mountain Baptist Association effective April 30, 1974, to accept the position as Director of Missions for Cabarrus Association, North Carolina. Mr. Shore also stated his appreciation for the opportunity to serve the past 4½ years as Director of Christian Social Ministries. Thurman Fox responded on behalf of the Association for the work which George has done in this Association. 4/9/74

4. A report from the Committee of Four concerning the abortion issue was asked for, and Foy Martin responded that the Committee had been well-received at Forsyth Hospital, Medical Park Hospital, and Baptist Hospital. They have not yet met with the officials of the new clinic. Plans are to return to Baptist Hospital for further discussion. 4/9/74

5. PERSONNEL COMMITTEE: It was reported that an open-forum type meeting had been held to receive the thoughts and ideas of the people in our Association concerning Christian Social Ministries and that the Personnel Committee members feel that they now have a better understanding of what our Association desires in this area of work. It was also stated that representatives of the Home Mission Board and State Convention will be meeting with our Personnel Committee regarding this area of our work. 6/24/74

6. OFFICE STUDY COMMITTEE: Chairman W. T. Hendrix reminded those present of previous Executive Committee action which stated: (1) our present Associational office facilities are inadequate and that we immediately seek temporary space; (2) the need to look for permanent office facilities. In the light of those decisions the committee had been enlarged from 6 to 12 members and a sub-committee was appointed to investigate two pieces of property. The sub-committee brought a recommendation to the full committee and the Office Study Committee presented the following recommendation to the Association:

> The Associational Office Study Committee recommends that the Association purchase a piece of property at the corner of University Parkway and Ranch Drive to be used for an Associational office building. The property is 215 feet by 300 feet and is located on University Parkway between Wake Forest University and North Point Shopping Center.
>
> The price of the property is $37,500.00. The owner is asking for a $500 deposit that would not be refundable. In comparison, the adjoining property which is 225 feet by 310 feet has been priced at $110,000.00.

The motion was passed. Mr. Hendrix also noted that the Committee is still seeking temporary quarters for our Associational office. 6/24/74

7. TORNADO RELIEF AD HOC COMMITTEE: It was reported that a letter had been sent to each church by the Committee explaining the situation in Murphy, N. C., and that the response had been great. At this time, in addition to clothing, some furniture, and food, a total of $1314.11 in cash has been received from our churches and forwarded to the Truett Baptist Associational office in Murphy. 6/24/74

8. Two young ladies, Nanci Hudspeth (First Baptist, Winston-Salem) and Kathy Weavil (Union Cross), are working for the Association this summer in conducting

Mission Vacation Bible Schools. Last year our Association held 7 mission VBS and this year a goal of 20 has been set. 6/24/74

9. A different approach at Ludlum Chapel at the Cherry Street Advancement Center is being used on a trial basis. Dr. W. K. McGee will be going to the Center each Sunday for several months in an effort to have a more meaningful ministry. 6/24/74

10. An announcement that Judy Walden has resigned as Assistant to Superintendent of Missions effective June 30, 1974, since she is to become a mother in January. 6/24/74

11. In light of the current controversy surrounding the failure of Campbell College to renew the teaching contract of one of the faculty members and present criticism and pressure being placed on the trustees of that institution, Burke Holland offered the following motion: That our Executive Committee send a letter to the trustees of Campbell stating our support of their recent decision. The motion was passed unanimously. 6/24/74

12. Under new business the Hanging Rock State Park ministry was brought up for discussion. In the past we have had simply a Sunday morning worship type experience with a pastor or lay person going in on Sunday morning and conducting a worship service. It is felt that a chaplain type ministry would be more effective. In order for this to be done, there is the need for a trailer where a minister and his family could live among the campers during the week, and then conduct a service on Sunday morning. There are four denominations currently involved in the work at Hanging Rock and each denomination would be responsible for two weeks this summer.

With the above information given, the following motion was made by W. T. Hendrix and seconded by Mark Corts: That our Association purchase from the Out-of-Doors Mart a 1968 14-foot Yellowstone Camper. The motion was passed. 6/24/74

16. Dr. Clifton J. Allen introduced Dr. Porter Routh, Executive Secretary-Treasurer of the Executive Committee of the Southern Baptist Convention.

17. Dr. Routh brought an inspiring message on the year of the Bell and Torch in Southern Baptist life.

18. The prayer of benediction was led by Associational Moderator Troy Hamrick.

Respectfully submitted,
R.C. Walden, Jr., Clerk

SUNDAY SCHOOL REPORT

Sunday School work in the association is characterized by much need and some encouragement. The major undertakings during the past year have been: a Teachers' Improvement Clinic, with an excellent age-group faculty and people participating from the churches; a preview study for pastors of the book of Acts, the January Bible Study Week book, sponsored jointly with the Sunday School Department of the Baptist State Convention and led by Stuart Arnold of the Baptist Sunday School Board; a conference for Cradle Roll workers, a pilot project in cooperation with the Sunday School Board to reactivate Cradle Roll work in the churches; and a Sunday School planning workshop for pastors and Sunday School directors.

The associational Sunday School program for 1975-76 will aim at the following: (1) communicating basic concepts and important developments in the Sunday School program of Southern Baptist; (2) training Sunday School workers; (3) assisting churches in planning more effective programs of Sunday School work; (4) motivating churches to capture the potential of the Sunday School as a medium of outreach, improved Bible teaching, church development, evangelism, and Christian family living.

In harmony with these aims, the following opportunities are recommended to the churches for participation as a means to strengthening and extending their Bible teaching ministry:

(1) Observance of Celebration Sunday or High Attendance Sunday in Sunday School on Nov. 2. It follows Reach Out Week. Southern Baptist churches throughout the nation are observing it. The aim is to reach a record attendance, and thus express concern for reaching people for Bible study. Each Sunday School director will please call the associational office between 1:00 and 3:00 P.M. on November 2, to report the attendance.

(2) Enlisting all Sunday School workers to participate in the Associational Workers Improvement Clinic, November 17, 18, 19, to be at the First Baptist Church, Winston-Salem. A strong faculty of trained and experienced workers has been enlisted. Information has been communicated to pastors and Sunday School directors. We urge them to enlist their teachers and other workers to claim this opportunity for training, which is sure to lead to better Bible teaching. We urge also that plans be made for a special follow-up in each church on the night of November 19 to relate the values of the clinic to each church's program.

(3) Other opportunities will follow throughout the year: A Preview of Hosea, the book for January Bible Study Week on November 21, for pastors and those teaching the book; a Vacation Bible School clinic early in 1976; the promotion of competency training as a continuing aspect of the Sunday School program; emphases on Cradle Roll Day in the Sunday School and on ways to promote the primacy of Christian family life.

A conference for focus on methods of teaching during the fall of 1976 and the possibility of a special Bible conference in 1977 are opportunities being considered for the future.

CHURCH TRAINING REPORT

On February 27, 1975 a Leadership Improvement Clinic was held by the Church Training Department at Mineral Springs Baptist Church. Four conferences were held: (1) General Officers, (2) Adults and Adult Leaders, (3) Youth, (4) Children. Eight churches from the association participated in the clinic with a total of 35 persons involved.

Bible Sword Drill competition with the winners advancing to state level competition was offered, but no churches participated.

At present there are 21 churches in the Pilot Mountain Association reporting Church Training programs in their churches.

WOMAN'S MISSIONARY UNION REPORT

The last three years have been a time of "growing pains" for WMU. It has been a joy to watch the increasing number of women and churches participating and responding to the associational WMU activities. We believe that we have made a good contribution to the goals of the total associational program. For the third year, our WMU has achieved Distinguised Recognition on the Associational WMU Achievement Guide.

At the annual associational WMU meeting April 8 which was held in College Park Baptist Church, Miss Alma Hunt was the guest personality. Anyone in attendance could easily find information about any one of the many phases of WMU work. The special emphases for 1974-75 were T I M E and Love Thy Neighbor. The former was an emphasis on training for both leaders and members, since TIME stands for Training in Missions Education. Love Thy Neighbor was a WMU emphasis on family and churchwide mission action. Incorporated in Love Thy Neighbor were the projects of Family Mission Action, Churchwide Mission Action, Lay Ministry, and Crisis Closet. At least 400 people attended the April 8 meeting, which was evaluated as being quite successful. The success was due to the pleasant attitude, willing co-operation, and great participation of leaders from churches over a wide area of the association.

WMU council members attended Ridgecrest and Mundo Vista this year. Joining hands as conference leaders ourselves, we had over 200 ladies present for our Leadership Conference on September 22-23.

The year has been filled with variety of activities. In addition to the annual meeting and the leadership conference, the WMU sponsored:

Foreign Mission Institute
Baptist Women Day of Prayer
Acteens Convention
Girls in Action Leaders Banquet
Home Mission Study Institute
Baptist Women "Fun and Inspiration"
A Baptist Young Women Activity
Acteens Missions Fair
Missions Friends Leaders Banquet
Acteens Coronation Service
Girls in Action Mother-Daughter Camp
Two Baptist Women Prayer Retreats
Girls in Action Mother-Daughter Banquet

Discussions concerning the plan to take one bus load of Baptist Women and Baptist Young Women to Virginia Beach June 11-15, 1976 where the BYW National Convention and SBC, WMU Meeting are being held.

All plans for the 1975-76 WMU program have already been incorporated into the associational calendar of activities and announced to the local church WMU leaders.

CHRISTIAN SOCIAL MINISTRIES REPORT

Christian Social Ministries is an important part of our total Christian ministry and missionary outreach. Every church would do well to plan for it in its overall program and budget. It is an area of need and opportunity to which all churches should respond.

This associational year has been a period of so much unemployment, along with a continuing escalation of inflation of all living costs, that the needs for this ministry have been greater than most of us have known before. And on the associational level, in the absence of a director in this field, the ministry has been little more than an effort to try to answer the calls of emergency services. The majority of these services are for families and persons without employment or on borderline incomes and without the means to meet the cost of food,heating fuel, house rent, electric bills, transportation for medical care, and various miscellaneous needs when any unusual problem arises.

We believe every church should have a strong social service or mission action committee of concerned men and women who can be available and able to answer these needs, including the need for transportation. Many of our churches have such a committee and all of our churches have shown an excellent spirit of concern and cooperation when they have been called upon for help.

Some of these services can be met from the associational office, and this should be included in the associational planning, but the primary function of the associational office should be one of informing and helping the churches plan and in helping to coordinate their ministries.

We conduct regular worship services on Sunday morning in the Ludlum Chapel at our state prison unit on North Cherry Street. Some of our black Baptist brothers share in these services. We participate in the Yokefellow Prison Ministry also. We often work in cooperation with the Crisis Control Ministry, an inter-church ministry located where our old Patterson Avenue Mission was. In many of these needs we cooperate with various public service agencies.

We enlist a number of our churches in an important ministry in the Saturday evening activities at the Youth Center for delinquent youth under sixteen years of age. We call upon some of our pastors and laymen once a month to conduct a chapel service at Goodwill Rehabilitation Center. We now are planning the schedules for the interdenominational ministers' association for Sunday afternoon services at the county jail, Tuesday afternoon worship at the Winston-Salem Convalescent Center on First Street, and someone to give the invocation at the monthly meeting of the County Board of Commissioners.

All of this means that your Christian Social Ministry involves many areas and works through many avenues to minister and bear witness in the name of Christ to people, especially people in these times of stress and special need.

We hope it will not be long before the association will have a well qualified director for this work. There is urgent need for such a person with knowledge and imagination to study the needs, develop a comprehensive program, help the churches in planning their programs, and help coordinate the resources and efforts of the churches.

A Literacy Workshop is being planned for training teachers to teach adult non-readers to read and write. There are great numbers of adults among us who cannot read. Many of them are capable persons of real potential but greatly limited because of this handicap, and there are very few persons available for teaching them. A teacher training workshop is being planned for November 2-5 at College Park Church.

NEW WORK COMMITTEE REPORT

After one year of watchcare your New Work Committee recommends the acceptance of West Forsyth Baptist Church into the full fellowship of the Pilot Mountain Baptist Association. The West Forsyth Baptist Church is now meeting on Sunday at the Clemmons Civic Center and on Wednesday evening in the home at their new site on Hampton Road, two miles south of Clemmons.

Dr. David L. Beavers, Chairman

ORDINATION COMMITTEE REPORT

The Ordination Committee of The Pilot Mountain Baptist Association has received requests from five of our member churches and has conducted examinations of their candidates for the ministry during the current associational year.

These have been as follows: Michael Branscome, Konnoak Church, a student at Southeastern Seminary, December 30, 1974; Adrian Hugh Greene, Old Town Church, senior at Wake Forest University and now a student at Southern Baptist Theological Seminary, Louisville, Kentucky, February 10, 1975; Dan Pardue, Minister of Music and Youth, Clemmons First Church, March 10, 1975; E. Steven Ayers, Bethany Church, student at Princeton Theological Seminary and pastor of the South Jersey Baptist Church, Cape May, New Jersey, May 21, 1975; and Corbert Gordon, Mount Olive Church, senior at Fruitland Baptist Bible Institute, September 5, 1975.

In each of these cases, after an extensive and satisfactory examination, the candidate was recommended to his church for ordination and subsequently the church has ordained him for the gospel ministry.
